Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Wednesday 14 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Frosty overnight. Sunny with possible showers Thursday.

This Evening and Tonight:
Clear spells and patchy cloud though the evening. Cloud tending to break overnight with long periods of clear spells allowing temperatures to fall with a widespread frost developing. Some isolated mist patches could also develop. Minimum temperature -3 deg C (27 deg F).

Thursday:
Cold and frosty start, then a bright day with long periods of sunshine, but also risk of an isolated shower. Frosty overnight with a small chance of freezing fog patches. Maximum temperature 11 deg C (52 deg F).

Outlook for Friday to Sunday:
Largely dry and sunny through Friday and into the weekend with cold and frosty starts. Feeling pleasant in the sunshine with daytime temperatures trending towards normal.
